

Illinois JusticeCorps Fellow

Full-Time AmeriCorps Position – 2014-2015

Champaign, Champaign County

Illinois JusticeCorps is an innovative program that enhances access to justice for the growing number of unrepresented people in the courts by empowering and training student volunteers to help people without lawyers navigate the court system by providing legal information and procedural guidance.

People coming to court without lawyers often do not know where to go, what to ask for or who to see for documents. They often are confused, intimidated and scared. JusticeCorps members serve as guides to make the courts more welcoming and less intimidating to people who are navigating this complex and daunting system. JusticeCorps assistance allows people to accomplish the purpose of their visit more efficiently. Members receive thorough training, including about the activities in the courthouse, available resources and the difference between legal information and advice.

The full-time JusticeCorps fellow assigned to Champaign will take on a leadership role for the student volunteers and assist in coordinating the role of Illinois JusticeCorps in Champaign County.
